A screenshot of a guitar learning application interface. At the top, it says "Blues Guitar 1 12 Bar Blues in A". Below this are two video thumbnails: one of a man playing a guitar and another of a close-up of hands on a guitar. The main part of the screen shows a guitar fretboard with a tablature overlay. The tablature is organized into seven measures, each with a chord name above it: D7, A7, A7, E7, D7, A7, and A7. The notes on the strings are represented by numbers (0-4) and some are highlighted in red. Below the fretboard is a control panel with a progress bar at 95%, a tuner icon, and various playback controls like play, stop, and volume. The text "Four to the Bar" is visible in the control area.
